

UK Flour Millers Associate Member package

WHAT'S IN IT FOR YOU?

Joining UK Flour Millers as an Associate Member provides you with a unique opportunity to raise your profile within the flour milling industry and to stay informed on the issues that matter most to millers.

UK Flour Millers is the association representing all commercial roller mills in the UK. There is no better way than joining us to understand, gain access to, and engage with the milling industry.

Associate Members are able to access information and networking opportunities and to collaborate in relevant activities.

BENEFITS

- Raise your profile within the milling sector
- Share details of your goods and services
- Attend selected industry events
- Obtain the latest info, sector news and stats
- Receive monthly newsletter and thrice weekly press summary
- Pay less for industry training courses
- Contribute articles for the industry's newsletter
